# SÜSSHOLZ

Herzerlstühle sind Heimat

SÜSSHOLZ heart chairs are unique.
They have their heart on the right place!
Each Herzerlstuhl is unique and made from local woods.
Rustic elements and modern design are in harmony.
This combination gives the furniture a charming
timelessness and elegant seating comfort.

# OAK CHAIR

Our heart-shaped chairs made of knotty oak become an aesthetic unit with their surroundings without losing any of their presence.
The caramel-colored wood tone created by the hard wax oil naturally comes into its own and creates a warm ambience.

€ 369,00 incl. tax

# ASH CHAIR

The various natural grains of the core ash are the trademark of these chairs.
The wood, marked by its age, gives each seat shell its unique look.
With hard wax oil, we give the pieces of furniture resistance for long-term use.

€ 369,00 incl. tax

# COLORED CHAIR

The sprung seat shell and legs for our colorfully lacquered Herzerlchairs is made of ash wood.
To ensure that they fit perfectly into your home, hotel or office, you decide on the color of your choice, which we then paint with a high-quality lacquer by CAPAROL.
Inform us about your desired color of the offical RAL system color palette.

€ 449,00 incl. tax

# OAK STOOL

A stool  with character: crafted from solid oak, featuring a gently rounded seat and a heart-shaped cutout as its signature detail. This stool complements the design of our chairs perfectly.
Wonderfully versatile as a side table, extra seating, or decorative accent - a piece that fits effortlessly into Scandinavian, rustic, and modern interiors alike.

€ 179,00 incl. tax

# BAR STOOL

Our newest member in the SÜSSHOLZ family:
Our bar stool with a heart!
The modern yet traditional design adorns any kitchen or bar, whether it has a modern or classic design.
A special stool to decorate your kitchen island!
We provide them in oak or in ash as well.
